

# Fashion Show October 12th

The North Shore Keep Well Society held a major fund raising event of a Fashion Show and Silent Auction at **Silver Harbour Centre on October 12, 2018.**

**Escape Travel Wear** in Parkgate Shopping Mall has graciously agreed to provide the fashions and most of the models came from our own Keep Well ranks.

We collected gifts and gift certificates from generous donors for the Silent Auction, which led to some spirited bidding. All in all the evening was great fun and thoroughly enjoyed by all attendees.

We greatly appreciate the generosity of the following sponsors who have donated gifts or gift certificates that were sold in the Silent Auction and encourage you to express your appreciation to these sponsors.
