

## KAY'S BIG DAY

Volunteers at Keep Well's North Shore Neighbourhood House class arranged a surprise Birthday Party for our most senior participant Kay Smith who celebrated her 99th birthday December 6th. North Vancouver City Mayor, Darrell Mussatto took time out of his busy schedule to join in the festivities and presented Kay with a beautiful bouquet of flowers. Board President, Libby Kelley and Liaison Catherine Cottingham were also part of the well-wishers as well as Kay's daughter, Lynne.

Between the flowers, the cake, the hugs and the laughter it was a great day for a very special lady
